

Self Loading Concrete Mixer

Self Loading Concrete Mixer is a kind of multifunctional machinery which combines the transit mixer, concrete mixer and wheel loader together. It can automatically load, measure, mix and discharge concrete mixture. The self loading concrete mixer is just like a truck and the operator can drive it to where it needs to go. It is very convenient for loading material, such as cement, aggregate, stone.

Motor and hydraulic system: Full hydraulic technology, all the actions are realized by hydraulic pressure, operation is very easy.

TDrive: With the four-wheels driven, the low pressure and wide tyres, the swing rear axles, providing the better off-road performance and more traction.

Accessories:

- Mudguard powder rubbers
- Hose locker and tool box
- Suction hose
- Couplin wrench
- Yellow beacon lamp
- Motopump
- Reel suck and pressing hoses
- Type : Wheel Mounted Self Loaded
- Concrete productivity: 5500L

Model: HKN5500L

Self Loaded Concrete Mixture Truck

Chassis: We provide any type or any brand truck chassis as per customers requirement. Bessically water tanker fabrication on mounted of japnese brand and world famouse truck chassis. Chassis specification are depend on brand and model. Also we can provide RHD or LHD truck chassis as per customer demand.

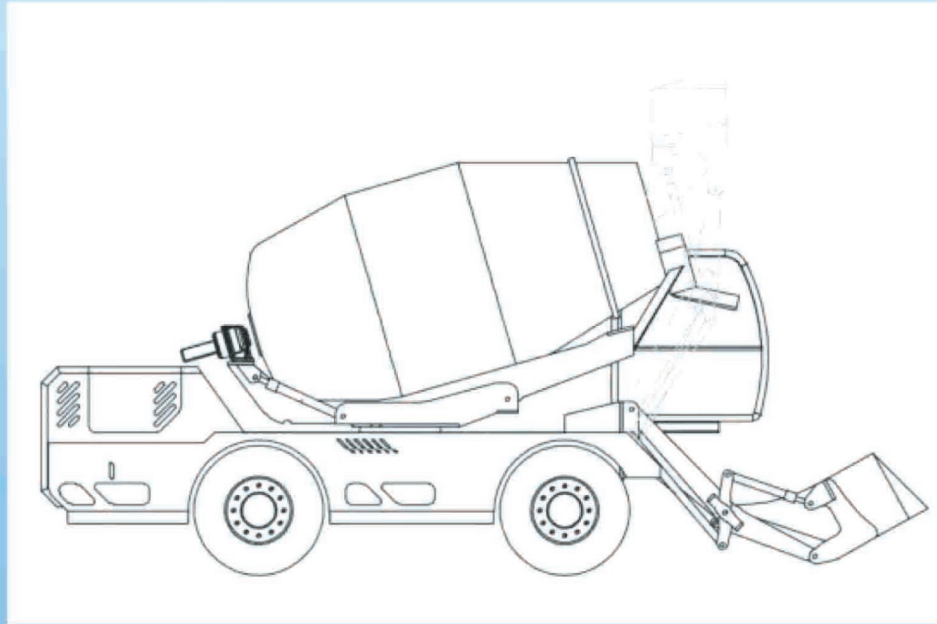

Painting:

We have a robotic paint system and world class finishing. Customer can demand any basic color with world class finishing. Even we are specialist of UN color requirement.

Body Construction:

We can customized the super structue as per customer requirement and below is one of our standard water tanker body diamention for specific requirement.

Pump Capacity	: 70m3
Overall Length	: 8,450mm
Overall Width	: 3,050 mm
Overall height	: 4,830mm.
Vertical Reach	: 50.1M
Horizontal Reach	: 45M
Reach Depth	: 36M
Sealing	: Rubber, Oil resisted
Engine	: DEUTZ
Power	: 92kW
Gear Box	: Shift Gear
Fuel Tank	: 370L

Tools and Accessories:

1 Set jack with handle, 1 wheel wrench, 8-19 mm dhully spanner 6 nos, 1 plier (nose), 1 General pliers, 1 screw driver Philip and cruiser flat, 1 Tire lever, 8-12 inch adjustable wrench, 1 jerry can, 1 spare wheel.
